STATEMENT UNDER 37 C.F.R. 1.78(a)(3)(iii)

Sir:

In the above-identified application, the entire delay between the date that the priority claim was due, under 37 CFR 1.78(a)(2)(ii), to the references indicated in the attached Preliminary Amendment, and today's date on which the claim is filed, was unintentional.

During a review of this application file while preparing a response to an outstanding Office Action in a related co-pending application (Serial No. 09/805,590), and pursuant to discussions with representatives of the current assignee of record (Color Kinetics, Inc.), the undersigned noted that the priority claim references listed in the "Cross Reference to Related Applications" section of the application as filed were incomplete. In particular, a number of non-provisional and provisional applications to which the listed references similarly are entitled a benefit were omitted inadvertently from the listed references.

In view of the foregoing, Applicants have enclosed herewith a Petition Under 37 CFR 1.78(a)(3) for Acceptance of an Unintentionally Delayed Claim for Priority Under 35 U.S.C. §120, together with a Preliminary Amendment specifying the applications for which a benefit is sought, this statement that the amended benefit claim is unintentionally delayed, and the required surcharge.

Favorable consideration is requested.

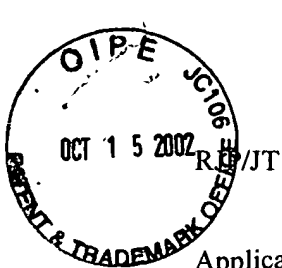

Respectfully submitted
Kevin Dowling, et al., Applicants
